

2016

Tesfay, Yohannes Yebabe; Solibakke, Per Bjarte.

• Intercontinental Variations of the Import Trade pattern of Norway: Applications to Best Linear Unbiased Estimable Functions of Hierarchical Econometric Model. *Global Business and Economics Review (GBER)* 2016

HIALS HIM

2015

Chere, Fikadu Zawdie; Tesfay, Yohannes Yebabe; Enquoselassie, Fikre.

Parametric survival modelling of risk factor of tuberculosis patients under DOTS program at Hawassa Town, Ethiopia. *International Journal of Biomedical and Clinical Engineering* 2015 ;Volum 4.(1) s.1-17

HIM

Tesfay, Yohannes Yebabe.

A new econometric model to analyse variations and structural changes in international trade: applications to the Norwegian import trade across continents and over time. *International Journal of Trade and Global Markets* 2015 ;Volum 8.(4) s.343-370

HIM

Tesfay, Yohannes Yebabe.

Modeling the causes of the Bullwhip Effect and its implications on the theory of organizational coordination. *Supply Chain Forum: an International Journal* 2015 ;Volum 16.(2) s.30-46

HIM

Tesfay, Yohannes Yebabe.

Modelling the causes of the Bullwhip effect and its implications to Theory of Organizational Coordination. 6th International Conference on Applied Human Factors and Ergonomics : AHFE 2015; 2015-07-26 - 2015-07-30

HIM

Tesfay, Yohannes Yebabe.

Modelling the causes of the Bullwhip effect and its implications to theory of organizational coordination. 19th Annual Western Hemispheric Trade Conference; 2015-04-15 - 2015-04-17

HIM

Tesfay, Yohannes Yebabe.

Modelling the causes of the Bullwhip effect and its implications to theory of organizational coordination. I: *19th Annual Western Hemispheric Trade Conference, April 15-17, 2015, Laredo, TX, USA : Conference Proceedings*. Laredo, TX: Texas A&M International University 2015 s.32

HIM

Tesfay, Yohannes Yebabe.

Stochastic evaluation of capacity and demand management of the supply chain of airline industry : the case of airlines of the AEA for flights of Europe-Africa. 6th International Conference on Applied Human Factors and Ergonomics : AHFE 2015; 2015-07-26 - 2015-07-30

HIM

Tesfay, Yohannes Yebabe.

Stochastic evaluation of capacity and demand management of the supply chain of airline industry : the case of airlines of the AEA for flights of Europe-Africa. 43rd European Transport Conference; 2015-09-28 - 2015-09-30

HIM

Tesfay, Yohannes Yebabe.

Stochastic evaluation of capacity and demand management of the supply chain of airline industry : the case of airlines of the AEA for flights of Europe-Africa. *European Transport Conference past papers repository* 2015

HIM

Tesfay, Yohannes Yebabe; Solibakke, Per Bjarte.

Econometric modelling and forecasting for Norway's revenue from export of ships : an application to two-way factorial with interaction model. 6th International Conference on Applied Human Factors and Ergonomics; 2015-07-26 - 2015-07-30

HIM

Tesfay, Yohannes Yebabe; Solibakke, Per Bjarte.

Econometric modelling of the variations and structural changes of Norway's import trade across continents and over time. 19th Annual Western Hemispheric Trade Conference; 2015-04-15 - 2015-04-17

HIM

Tesfay, Yohannes Yebabe; Solibakke, Per Bjarte.

Econometric modelling of the variations of Norway's export trade across continents and over time : the two stage non-full rank hierarchical linear econometric model approach. *Economics Research International* 2015 ;Volum 2015. s.1-16

HIM

Tesfay, Yohannes Yebabe; Solibakke, Per Bjarte.

Spectral density estimation of European airlines load factors for Europe-Middle East and Europe-Far East flights. *European Transport Research Review* 2015 ;Volum 7.(2) s.1-11

HIM

Tesfay, Yohannes Yebabe; Solibakke, Per Bjarte.

Spectral density estimation of load factor of flight of domestic and cross border Europe of airlines that are members of AEA. *European Transport / Trasporti Europei* 2015 (57) s.1-28

HIM

Tesfay, Yohannes Yebabe; Solibakke, Per Bjarte.

Econometric modelling and forecasting for Norway's revenue from export of ships : an application to two-way factorial with interaction model. *Journal of International Business and Economics* 2015 ;Volum 15.(3) s.7-28

HIM

Tesfay, Yohannes Yebabe; Solibakke, Per Bjarte.

Econometric modelling of the variations and structural changes of Norway's import trade across continents and over time. I: *19th Annual Western Hemispheric Trade Conference, April 15-17, 2015, Laredo, TX, USA : Conference Proceedings*. Laredo, TX: Texas A&M International University 2015 s.404

HIM

Tesfay, Yohannes Yebabe; Weldehawariat, Thomas Hailemichael.

Assessment of factors that affect student's academic performance in higher education : the case of Addis Ababa City, Ethiopia. International Conference on the Institutional Leadership, Learning and Teaching (ILLT); 2015-09-14 - 2015-09-15

HIM

2014

Tesfay, Yohannes Yebabe.

Assessment of weather impact on the selling of brewery in Norway : a panel data regression approach. ISBA-George Box Research Workshop on Frontiers of Statistics; 2014-05-21 - 2014-05-22

HIM

Tesfay, Yohannes Yebabe.

Environmentally friendly cost efficient and effective sea transport outsourcing strategy: The case of Statoil. *Transportation Research Part D: Transport and Environment* 2014 ;Volum 31.(August) s.135-147

HIM

Tesfay, Yohannes Yebabe.

The bullwhip effect : applying stochastic models on beer distribution game. *International Journal of Applied Logistics* 2014 ;Volum 5.(1) s.33-51

HIM

Tesfay, Yohannes Yebabe; Solibakke, Per Bjarte.

Evaluation of the continental variations of Norway's export trade across continents : an applications of two-stage hierarchical non-full rank linear econometric models. International Conference on Business and Economic Development (ICBED); 2014-03-24 - 2014-03-25

HIM

Tesfay, Yohannes Yebabe; Solibakke, Per Bjarte.

Evaluation of the continental variations of Norway's export trade across continents: an applications of two-stage hierarchical non-full rank linear econometric models. *The business & management review: Conference Proceedings* 2014 ;Volum 4.(4) s.122-128
